

## CREATE AND CONFIGURE IBM CLOUD SERVICES

### IOT BASED SAFETY GADGETS FOR CHILD SAFETY MONITORING AND NOTIFICATIONS

TEAM ID	PNT2022TMID20466
PROJECT NAME	IOT BASED SAFETY GADGET FOR CHILD SAFETY MONITORING AND NOTIFICATION
TEAM LEADER	MONALISA M
TEAM MEMBERS	KIRUTHIKA D MADHUSRI J RAHAMATH SHIHANA S

### NODE RED CREATION

The screenshot displays the IBM Cloud console interface for a resource named "Node RED ALWOI 2022-10-30". The top navigation bar includes the IBM Cloud logo, a search bar, and links to "Catalog", "Manage", and "Kiruthika D's Account". The main content area is divided into three sections:

- Details:** This section contains a table with the following information:

App URL	You must deploy your app first
Source	<a href="#">Download code</a>
Resource group	<a href="#">Default</a>
Deployment target	You must deploy your app first
Created	10/30/2022
- Services:** This section shows a list of services with "Cloudant" selected. Below the list are two buttons: "Connect existing services +" and "Create service +".
- Deployment Automation:** This section is titled "Configure Continuous Delivery" and contains the text: "Continuous Delivery is not enabled for this app. Enable Continuous Delivery to automate builds, tests, and deployments through Delivery Pipeline, GitLab, and more." Below this text is a button labeled "Deploy your app" with a cloud icon.

On the right side of the console, there is a vertical sidebar with the text "ASK A QUESTION" and a blue chat icon.
